Reiki II Training

At Inner Balance Pelvic Health & Wellness Center

2299 Woodbury Ave in Newington, NH 03801

Reiki is internationally acknowledged by the medical world as a complimentary treatment for reducing stress and shortening the recovery time after surgery and illness, easing side effects from chemo-therapy, and improving the results of healing. A Reiki treatment restores balance and harmony in the body, bringing a sense of wholeness and wellbeing. It works on a physical, mental, emotional, and spiritual level.

The Second Degree Attunement Process of Reiki provides a "quantum leap" in the vibration level, at least four times greater than First Degree. In addition, the third eye or sixth chakra is greatly affected, which heightens the intuitive abilities, and adjusts the etheric body.

You will learn the three Reiki symbols and receive the Reiki II Attunement. We'll practice on each other, and learn how to work on distant healing in time and space. You will receive an instruction book and your certificate as a traditional Reiki II Practitioner. We'll have future Reiki clinics/practice times.

For registration, please send the tuition of \$300 to the office of MoebiusYoga & Ayurveda, 350 Hemlock Lane, Barrington, NH 03825.

A PayPal payment will be established soon!
